ABOUT US

The Australian Small Business Champion Awards is a prestigious and comprehensive program that supports and recognises small businesses across Australia. Since its inception in 1999 as the NSW Small Business Champion of Champion Awards, the concept grew, expanding in 2007 to recognise and celebrate the outstanding achievements of small businesses across all states and territories.

Developed and managed by Precedent Productions, a small business with over 30 years' experience in managing successful awards programs, the Australian Small Business Champion Awards have grown into the flagship program recognising Australian small business excellence.

Eligible businesses from around Australia are required to complete an Awards Entry, consisting of a series of questions which evaluate their standard of excellence and overall success. From these businesses, finalists will be selected, which then compete with businesses in their category across Australia, with the winners being named at the gala presentation evening. With over 100 awards to be won, the Australian Small Business Champion Awards is a night of distinction, hard work and excellency.

ORCHARD HILLS VETERINARY HOSPITAL

2024 FINALIST VETERINARIAN

Orchard Hills Veterinary Hospital provides high-quality surgical and medical facilities for pets in the greater Penrith region. The team is led by Dr Camille Brandt and supported by seven associate veterinarians and a 32-strong nursing and reception team. We are a mix of experience and youth that make up a great team that is willing to combine skill and expertise with innovative thinking.

We recognise that every pet entering our practice is an integral part of a family unit and aim to deliver the same attention, love, and care as they receive at home, acting as an extension of their own family.

The team is driven by a commitment to delivering personal service to clients, outstanding care for patients while creating strong connections with the Penrith community.

2024 FINALIST EARLY CHILDHOOD SERVICES

Evergreen Early Education Centre would like to thank our local community, customers and friends for the ongoing support and commitment to our Service. We continue to marvel at all we have been able to achieve at Evergreen and we are excited to continue reaching our full potential into the future.

We extend our gratitude and appreciation to our wonderful team at Evergreen. The success of our business would not be possible without the dedication and passion of our educators that strive to make a difference in each child's life every day. At Evergreen we ensure that all children are welcomed into our Centre with open arms, and they are supported to feel a sense of belonging to Evergreen where they can grow, learn and develop.

We will always strive to go the extra mile for our customers, the children in our care, and our team. When it comes to making a positive impact in a child's life, we will continue to commit to high standards and the highest quality of care that every child deserves.

We appreciate everyone who is a part of the Evergreen family and we are humbled to be recognised for the Small Business Champion Awards. We extend our congratulations to all other Finalists in these Awards.

ROOF TILE RECYCLERS

2024 FINALIST ENVIRONMENTAL BUSINESS

Roof Tile Recyclers is a life saver to most roof tilers/restorers as we stock obsolete roof tiles that can't be found at any of the leading manufacturers any more. We don't only sell to roofers though, we are open to the public and if there's a chance we can help you out, whether it's through advice or you're in need of 1 or 1000 tiles, we most definitely will.

Roof Tile Recyclers is a family business, run by a generation of roof tilers with an extensive knowledge of the roof tile recycling industry.

We are a certified company with over 35 years' experience in the business. We also stock anything you need for your tiling job whether it be for a roof restoration, a new roof, re-roof, repair, absolutely anything! If you need it, we have it.

At Roof Tile Recyclers we carry paint, flexible pointing, flashings, battens, valleys, driveway sealer and a mountain of other roofing-related products. We recycled over 1.5 million kilograms of roof tiles last year.

We are so excited to be nominated as a Finalist for the third year running. To win the Award two years running would be the icing on the cake!
