

Western Sydney Apprenticeship/ Traineeship Jobs Expo

Our Apprenticeship/Traineeship & Jobs Expos are held annually and have grown to a status where they are widely accepted as the premier events of their kind in NSW. The timing of the expos is a hit with families as they allow parents to attend with their children and have those all-important career chats with industry experts. Over 400 exhibitors and 20,000 visitors attend each year.

The Expos provide our career/job seekers, business and industry, education providers and employers with the opportunities to all come together under the one roof where exhibitors also get the chance to collect resumes and promote their organisation for upcoming recruitment drives.

Thomas - Trade Sales

I started the Cook's Traineeship Program in May 2022. I've had the help and support of many different people who have many years of industry experience within the business.

Cook's is an awesome place to work, and definitely where you want to be if you are looking at a career in the plumbing supply industry long term.
