

MT DRUITT ST MARYS LOCAL BUSINESS AWARDS

Hollywood has the Oscars and the music industry has the Grammys – but for Mount Druitt St Marys businesses, the annual night of nights is Tuesday, September 12.

That's the date of the 2023 Mount Druitt St Marys Local Business Awards.

Precedent Productions Managing Director and Awards founder Steve Loe said: "There's no doubt that local business owners and their staff work hard to provide the best possible service to their customers.

"That's why the annual Mount Druitt St Marys Local Business Awards presentation night is always such a popular event.

"It's a glittering event that gives finalists a chance to dress up and take a break so they can enjoy an evening of entertainment, good food, relaxed chat and celebration with their colleagues and people from other businesses from around the district."

Loe said being a finalist at the Mount Druitt St Marys Local Business Awards presentation night was an enormous achievement.

"It's also a chance for business people and their teams to reflect on their successes with a fun night out," he said.

"Making it to the finalist presentation is a great reflection on their efforts and everyone is always extremely proud to be there.

"All finalists in each category are announced, with their picture shown on the big screen.

A winner speaks at last year's event.

"It's heart-warming to hear the deafening cheers from the crowd as everyone celebrates the achievement of all the businesses in the room."

Today is the day when nominees for the 2023 Mount Druitt St Marys Local Business Awards discover if they have made it as a finalist.

Loe said the high quality of all nominees had made the job of judges incredibly difficult.

"The Western Weekender, which has supported the awards as media partner for many years, will announce the finalists in each category with a special feature in today's paper," he said.

"This is a chance for customers and clients to see if the businesses they nominated have become finalists."

The Mount Druitt St Marys Local Business Awards are only possible with the support of major partners, Blacktown City Council and NOVA Employment and support partners, Plumpton Marketplace, St Clair Shopping Centre, White Key Marketing and Cornerstone Community.

"It's with great pleasure that I congratulate all the finalists on their achievements, on behalf of the Mount Druitt St Marys Local Business Awards," Loe said.

"I would also like to thank the Mount Druitt St Marys community for the huge support that they continue to show for their local businesses through the Awards every year.

"Without them, these outstanding businesses wouldn't receive the recognition which they deserve."

ANZCO AUTOMOTIVE

2023 FINALIST AUTOMOTIVE SERVICES

Troy has dedicated his working career to mechanics and has done so for nearly two decades. Honest, reliable, an all-round good bloke, he works hard to provide a second-to-none service to his customers who are now like family. He opened ANZCO Automotive with the idea of providing affordable but quality workmanship to the community. He has had a rough 18 months since opening, with his beloved fiancée's Dad's sudden passing overseas, to his own father's health battles, but he has continued to show up for his customers and working long hours to ensure they're back on the road safely. Whether he's answering the phone or under a bonnet, he is there to help his loyal customer base. He has worked incredibly hard to achieve his own shop, and feels incredibly privileged to have been nominated both in 2022 and 2023.

2023 FINALIST EARLY CHILDCARE CENTRE

"Children are not things to be moulded but are people to be unfolded." We are Miss Alissa (Assistant Director) and Miss Clarisse (Nominated Supervisor/Educational Leader.) We also learned building relationships with children, engaging with families and the community not just locally but also globally, that made us who are we now.

We are proud to be part of CCC, a revolutionary centre that abides to their pledge in caring and teaching children. We are happy and grateful to be a finalist on the upcoming Mount Druitt and St. Mary's Business Awards.

2023 FINALIST BUSINESS PERSON OF THE YEAR

To be nominated as a Business Person of the Year has caught me off guard as it's such an honour. My attitude toward business and my team is to always treat people as how you would want to be treated and to be the leader you would want to follow.

Mrs D's Succulents is a dream come true and I am working hard to continue to grow it and excited to see what it will become. My team mean the world to me. I am thankful to everyone that has helped and is helping me along the way.
