

MT DRUITT/ST MARYS LOCAL BUSINESS AWARDS

Mount Druitt St Marys businesses celebrated their night of nights in style on Tuesday, March 15, with the annual announcement of this year's winners of the Local Business Awards.

The glittering occasion was all the more special coming as it did after 18 difficult months for the community.

Precedent Productions managing director and Awards founder Steve Loe said: "There were many tears of joy shed on the night, as the Mount Druitt St Marys business community came together at St Marys Band Club to celebrate each other's achievements and support one another."

"The pandemic has been tough on all members of the community, with businesses hit hard by circumstances that have been beyond anyone's control."

"It was wonderful to see our finalists come together to relax and celebrate in what has been a difficult time for people around the world."

"The winners now have their trophies, which will no doubt take pride of place in their premises."

Mr Loe

said being a finalist at the Mount Druitt St Marys Local Business Awards presentation night was a great achievement.

"It's a reflection of the great effort made by all our local businesses in a particularly challenging time," he said.

"It is with great pride that we celebrate this year's winners, and I personally congratulate every one of them."

Mr Loe thanked all sponsors involved in making this year's awards a reality.

"The Mount Druitt St Marys Local Business Awards are only possible with the support of Major partners Blacktown City Council and NOVA Employment and Support partners Plumpton Market Place and White Key Marketing," he said.

"Without them, these outstanding businesses would not receive the recognition they deserve."

Blacktown International Sportspark Sydney is honoured to have been named the 2021 Outstanding Fitness Service for Mt. Druitt/St. Marys. The award is a wonderful recognition for the facilities at the Sportspark and the teams that make all the activities happen. During what turned out to be a COVID-impacted year, we still attracted more than 460,000 visitors and we hosted nearly 5,500 events.

We are delighted to be able to offer such a world class venue for elite sport and the community to enjoy. Blacktown International Sportspark Sydney continues to grow and develop and with the International Centre of Training Excellence (ICTE) due to open in early 2023 the future is incredibly exciting.

We are also very grateful to everyone that voted for our 3 aquatic centre finalists - Mount Druitt Swimming Centre, Charlie Lowles Leisure Centre Emerton and Aqua Learn to Swim, Emerton.

From the team at Key Venues to our fantastic stakeholders, members, casual visitors and across the whole community, we thank you for your loyal and continued support.

The spacious St Marys aged care centre offers modern facilities and is beautifully styled in muted tones and gorgeous furnishing. Indoor lounges and the large courtyard barbecue area are great spots to socialise. The St Marys residents can also relax to the sounds of the lovely water feature in the more tranquil garden and gazebo area – or grab a book to enjoy from the library.

SummitCare St Marys aged care is home to a true community of residents. Friendships are constantly nurtured through a wide variety of activities, including a men's social club, concerts and craft activities. Nutritious, fresh meals are designed by our dietician, on-site hairdressing services are available and the mobility and exercise program is very popular.

We would like to thank all of our amazing families that have chosen Ready 2 Swim for their child's swimming and water safety lessons. We love being a part of so many families' weekly schedules and seeing improvements from each swimmer every week. As many other small businesses would agree, Covid has made trading extremely difficult at times however with the support of the local community it has made a huge difference. A big shout out goes to the team at Ready 2 Swim, without the hard work of this amazing team, we wouldn't be where we are today, each and every team member is appreciated and loved - especially by our little swimmers! We look forward to what the future holds and welcoming more local families to Ready 2 Swim.
