MT DRUITT ST MARYS LOCAL BUSINESS AWARDS

Priceline Pharmacy at St Clair was a winner at the Local Business Awards.

This year's Mount Druitt St Marys Local Business Awards was a glittering spectacular that provided a fitting finale to the annual event.

This year's winners exchanged exuberant hugs and cheers filled the room as they made their way to the stage on Tuesday, September 12.

Awards founder and Precedent Productions Managing Director Steve Loe said the evening was an exciting culmination to a successful awards program.

"The Local Business Awards recognise the vital role business people play in the lives of their communities," he said.

"The presentation evening not only sees the announcement of the category winners but is an opportunity to celebrate the achievements of all the finalists.

"We had a sell-out crowd that included our finalists, their families and staff, as well as our sponsors and local dignitaries, who helped to present awards to the winners."

The Western Weekender captured all the excitement as the finalists in each category were announced, complete with images on the big screen, followed by huge cheers as the winners' names were read out and they took to the stage to claim their trophies.

"The winners' speeches are always heartfelt and emotional," Loe said.

"This year was no exception.

"It's very emotional for everyone there to see their tears and smiles as well as hear the beautiful acceptance speeches."

As official media partner for the Mount Druitt St Marys Local Business Awards, the *The Western Weekender* today publishes this winners feature, that recognises all category winners from the presentation evening.

"Of course, the awards are only possibly with the support of Major Partners Blacktown City Council and NOVA Employment and Support Partners, Plumpton Marketplace, St Clair Shopping Centre, White Key Marketing and Cornerstone Community," Loe said.

"Their involvement proves their commitment to their community and the businesses that thrive there."

Loe also thanked St Marys Rugby League Club for the high quality food and service it provided.

"Thanks to them it was a five-star occasion," he said.

"I would also like to acknowledge the incredible entertainment and our fabulous MC Paul Hancock who kept the evening flowing smoothly."

Businesses can register for the 2024 Local Business Awards at www.thebusinessawards.com.au with anticipation already building.

Soul Origin was a winner on the night.

MRS D'S SUCCULENTS

2023 WINNER

SPECIALISED RETAIL BUSINESS

Wow what a surprise. My first thanks goes to the Lord for His goodness and blessing. My husband, children and parents have really supported and sacrificed for this business. My team, Mary and Vaya for turning up and getting the job done, even on the tough days. Our customers, suppliers, family and friends - without whom this business wouldn't be what it is today.

I am so passionate about succulents - they provide so much therapy and hearing what they do for people is what keeps me going when it gets too hard. It's so much more than money for me.

Thank you to the Local Business Awards, and its sponsors, including the Western Weekender for putting on such an event and recognising small business and supporting them. Mrs D's Succulents runs Facebook sales and attends various markets/fetes/festival locations. Support small business - especially while small business is battling the current economic climate.
