

# PENRITH CITY LOCAL BUSINESS AWARDS

The glitz and glamour of the 2022 Penrith City Local Business Awards.

The Penrith City Local Business Awards has returned for 2023.

Nominations for this year's awards are open for members of the Penrith community to put forward the names of outstanding businesses to be considered in a range of industry categories.

Head to [www.thebusinessawards.com.au](http://www.thebusinessawards.com.au) to vote for your favourite businesses.

Nominations for the 2023 Penrith City Local Business Awards will close on Tuesday, August 29 with the winners announced at the Awards Presentation Evening, on Wednesday, November 1 at the new Western Sydney Conference Centre.

Precedent Productions Managing Director Steve Loe founded the Awards more than 35 years ago to recognise the achievements and contributions that local businesses make to their communities.

"I grew up watching how hard my parents worked in their business," he said.

"I'd see the Academy Awards and think how much my parents deserved a trophy and recognition for all they achieved and the good things they did for the community.

"That memory is what inspired me to establish the Local Business Awards program."

The Local Business Awards has since grown to include a range of industry categories and is run in 28 regions across Sydney, Hunter, Central Coast, South Coast, Southern Highlands and Canberra.

Loe said local businesses contributed much more than goods and services to their communities.

"Local businesses contribute to their community's unique identity," he said.

"They also give back to the community by sponsoring sporting teams, supporting local charities, providing work experience for students and employment for residents of all ages."

Loe said the Awards are an opportunity to thank outstanding Penrith City businesses for their contribution to the community.

"Nominating a business for their outstanding service or products is a great way to thank these people, who are the backbone of our community."

The Penrith City Local Business Awards are made possible by the ongoing support of Presenting Partner, Commonwealth Bank and Major Partners, NOVA Employment and Western Sydney Conference Centre and Support Partners; Cornerstone Community, Penrith Valley Chamber of Commerce, BxNetworking, Southlands Shopping Centre and Penrith Homemaker Centre.

Loe said the Awards were only possible because of the Awards partners and their support.

"Many of our partners return year after year, which shows the value they place on supporting local businesses," he said.

The Western Weekender will provide regular updates on the progress of the Awards program and will also run a special Finalists feature and Winners feature.

### What did winning mean to you?

We know we have a remarkable centre, but we were thrilled to be recognised in such a huge category! Our Educators and families were so proud.

We have tried relentlessly to increase our licenced places. Unfortunately, Penrith Council believe the RU4 Zone doesn't need centre based childcare and has prohibited further development. Shame as we would love to help so many more families.
